

Peace Gallery North

37th Annual Art Auction

October 22, 2022

North Peace Cultural Centre

Peace Gallery North was established as part of the North Peace Cultural Centre in 1992. This year we are celebrating 30 years of service in Fort St John. The Gallery acts as a hub for locals who enjoy and appreciate art, as well as a platform for artists in their careers and professional development. The Gift Shop at Peace Gallery North, as well as our monthly featured exhibits, create an opportunity for local artists to show and sell their works within the community.

We are fundraising in support of our free after school kids and teens art program, resources and space for artists to meet and work, Gallery operations, and to enrich our Fort St John arts community via hosting public events and activities.
